Dear Parishioner,

Clologue Parish Finance Council is pleased to present this weekend the parish accounts for the year ending December 2021.

The Finance Council continues to exercise careful stewardship over the financial affairs of the curacy and we are grateful to all members for their advice and assistance.

We are also indebted to those who give of their time to serve as envelope distributors, counters and collectors and our committed office staff. Once again thank you for your constant generosity to Clologue Curacy and to the clergy who serve. The balance sheet shows a deficit for the year due to the damp & Storm proofing of over €6,000.00 which causes a deficit of €3,944.77.

I feel it is most important that people should know the details of the financial affairs of the Curacy. The curacy depends on the parishioners and when you give generously you should know what comes in and where it is spent. We will do our best to use your generous contributions to get value for money.

I thank all in the area for your generous support financially, in faith and generous help, which is greatly appreciated. Thank God things will soon be back to normal with Covid 19 coming under control. Please God, people will soon be returning to Mass in confidence and without fear of Virus to give praise and thanks to God. All will be most welcome.

May God bless you all for your faith, encouragement and support, it is greatly valued and appreciated.

Sincerely,

**Finance Council Members**

John O'Leary (Chairperson), Mary Skelton (Treasurer), Patrick Gahan (Member) and V. Rev. Patrick B. Cushen P.P.
